

To Whomsoever It May Concern

I. Dhawal Shah would like to recommend Mervyn Medidi to your esteemed university.

*As the founder of Class Central, a Class Central is a listing of online courses. We aggregate courses from many providers to make it easy to find the best courses on almost any subject, wherever they exist. We focus primarily on free (or free to audit) courses from universities, offered through massive open online course (MOOC) platforms. Whatever you are interested in learning, it is more than likely that our catalog includes a course that will meet your needs.*

I have known Mervyn Medidi in the capacity of being a CEO of the Class Central Company. He has been a part of over the past one year through Class Central's study group experiment where students from around the world join in to recreate the social aspect of learning. Mervyn's passion and love for learning is what led me to hire him as a data analyst in class central.

[responsibilities] 1)Data cataloging 2) Coordinate Study groups+clarification of doubts summarising course material 3)Moderating live events 4) Reviewing Collected data on courses 5) wrote articles for The Report

I have seen him play an active role in all aspects of his work, he also took initiative to solve problems that arose in live sessions. [For example], His quick thinking and

Leadership skills came to the forefront  
He displayed his communication skills  
Critical thinking  
Organization  
Hard Work

I strongly believe that he is a deserving candidate for your graduate program and give my highest recommendation to him.
